

CREST Awards

Bronze Award

Student Profile Form

Student's name _____

Team Members' names (where applicable) _____

School/Organisation name _____

School/Organisation postcode _____

Project Title _____

Project Area (you may tick more than one):

- Science
- Design and Technology
- Engineering
- Maths

Project focus:

- Research** – typically involves answering a question/hypothesis by collecting data from different sources. Data should be evaluated and used to provide evidence.
- Investigation/Design and make** – typically involves planning and carrying out a practical investigation or solving a problem through design.
- Science Communication*** – communicate something to an audience about a scientific subject: research your topic and audience, present your information and measure the outcomes (changes in behaviour or attitudes).

* This embodies the Science Communicators award scheme.

Visit www.britishsociety.org/crest for more information about the different types of projects which can be recognised through CREST.

Project Summary (make sure it's no more than 100 words)

A project summary is required by CREST organisers for events such as the Regional Big Bang Fairs. Please explain your project and conclusions:

CREST Awards are supported by:

we would also like to thank **Network Rail**
