Aberdeen and North-East Scotland's Festival of
Science, Technology, Engineering & Mathematics

TechFest 2018 Employment Opportunity

Join the TechFest festival team and play a part in helping all those that attend experience science, technology, engineering and mathematics in ways that they never have before! This is a unique opportunity for you to work with the North East of Scotland's Festival of Science, Technology, Engineering and Maths (STEM) and help to promote STEM to young people and the wider community.

Title: Festival Assistant

Employer: TechFest

Location: Robert Gordon University, Garthdee Campus, Aberdeen, AB10 7QB

Salary: £7.38 per hour/Living wage where applicable (Training day not included)

Job Type: Seasonal

Saturday 25th August 2018 – Friday 31st August 2018 (Approximately 7 hours per day)

Dates of Opportunity: Flexible days available, however we would prefer week-long availability and preference will be given to those applicants.

TechFest is a charitable organisation based in Aberdeen whose mission is to promote Science, Technology, Engineering and Mathematics to young people and the wider community.

You will be required to provide a warm welcome to a diverse range of visitors to our festival and ensure they have the relevant information to enjoy their visit to their fullest. You will have a passion for working with children and the general public and enjoy being part of a busy team with constantly changing priorities. No two days are the same and with the ability to follow processes and procedures you will be able to manage the unexpected when it arises, essential to ensuring our visitors leave having had a great experience.

The roles available include presenting hands on workshops, ushering pupils and the public throughout the day. Candidates should have good communication skills, an organised flexible approach and enjoy working with children.
