TECHFEST EUREKA SERIES

TECHFEST

EUREKA SERIES 

Sponsored by

As part of our Eureka Series sponsored by Chevron, TechFest has organised a series of Summer activities to be held across Aberdeen and Aberdeenshire.

If you would like to attend or would like more information, please contact TechFest at enquiries@techfest.org.uk.

The cost of each workshop is **£1 per child**, please note all children must be accompanied by an adult.

Children, from 3 years – 12 years, will be given the opportunity to test their science and engineering skills through a number of hands-on workshops including using science to solve mysteries, solving puzzles and designing and building.

Brilliant Bubbles

Prepare to be blown away by this hands on investigation into bubble making in this CREST Award accredited workshop.

Making Toothpaste

A fun and interactive experiment investigating the science behind a healthy smile. Make and test a new, top secret toothpaste recipe in this CREST Award accredited workshop.

Fossil Folly

Investigate why dinosaurs come in different shapes and sizes and have a go at designing and making your own in this CREST Award accredited workshop.

K'NEX Lighthouses

Shine a light of creativity to tackle a historic engineering challenge. Investigate problems associated with the construction of lighthouses as you come up with your own prototype model using K'Nex.
